

Work & Study for Entrepreneurs plan

1. Student information

Name

Student ID

Degree Program

Email

2. I want to:

demonstrate prior learning.

earn credits by learning while working.

3. I want to:

do courses from StartUp School's offering. Courses I want to do via Work & Study:

earn credits via Work & Study with some other learning related to my field of study. Describe the learning you want to validate:

I plan to earn _____ credit points with StartUp School's Work & Study for Entrepreneurs model (please check with your degree program and/or student counselor you have room in your Personal Study Plan).

4. Background information

Company/organisation or your own business idea:

Job title

Responsibilities

Supervisor/mentor

5. Describe shortly what skills or knowledge you already have related to the process:

6. Describe what you are going to learn during the process:

7. Describe how you are going to add theory in to the process:

8. When are you ready to start and when do you think the Work & Study process would be done?

9. Is there anything else you would like to add? You can also send additional information as an attachment (e.g. business plan)
